

To read or listen to more accurate news about Palestine/Israel than is being shared in our mainstream media, here are some excellent alternatives:

- [*Al-Jazeera English*](#) provides news on the Middle East, including Palestine, where it has reporters in Palestine, unlike mainstream media.
- [*Defense for Children-Palestine \(DCIP\)*](#) is a Palestinian organization that defends and promotes the rights of children living in the West Bank, including East Jerusalem, and Gaza. It provides regular updates.
- [*Democracy NOW!*](#) with host, Amy Goodman. On Berkeley's KPFA (FM 94.1) at 6:00 a.m. and 9:00 a.m. and [elsewhere in N. America and the world](#). Is one of the few radio and TV outlets providing detailed reports on what is happening in Palestine/Israel.
- [*The Electronic Intifada*](#) (EI) is an independent news source focused on Palestine.
- [*Mondoweiss*](#) provides news, opinion, and analyses of mainstream media coverage about Palestine, Israel, and the U.S.
- [*The Wire*](#), JVP's weekly newsletter on Palestine and the Palestine solidarity movement.
